

## **Parent Handbook Policies & Procedures Windsor Vineyard Preschool 2022-2023**

Welcome, we are so excited and honored to have your child part of Windsor Vineyard Preschool where faith and learning grow!

The staff of Windsor Vineyard Preschool is committed to serving families and seeing children succeed in their early childhood experience. The goal of our preschool is to nourish each child's physical, emotional, and social development by encouraging them to explore and grow their talents through biblical values and stories.

Children will have opportunities for development through large and small motor skills, themed music, crafts, art, prayer, Bible stories, and preparation for school. A balance of academic and learning through play will provide an opportunity for children to grow under the guidance of loving, Christian teachers.

To be able to maintain the high quality in our Windsor Vineyard Preschool, we have developed the policies and procedures covered in this handbook. Before the Aug 30th Back to School Night, take a few minutes to read through the handbook and to talk with your preschooler about the procedures and helpful policies she or he needs to know.

Middle Moonies children use the hallway bathroom and Sunny Souths use the sink in their classroom. Sign in your child and release them to our care. Parents are welcome to visit in the lobby with other parents.***

**Dismissal Time is 11:30:** It is important to your child's safety that you arrive to pick him/her

up on time. Small children need this security. If you know that you are going to be detained, please notify the school immediately so that we can reassure your child. If you pick up your child late without having made prior arrangements, you will be charged the \$12 Lunch Bunch fee. A staff member will remain on the premises if any child has not been picked up. If a child remains after school session ends without any notification from parents, we will contact the parents, then emergency contact persons/others as needed.

**Responsibility for Children:** All children must be signed in and out by a parent/guardian or person designated on the personal information clipboard in the hallway by their classroom coat hooks. Remember that for safety reasons, the hallway is for signing in and out and the lobby is for personal visits with other parents.

Unless your child's teacher is specifically notified with a written and signed note, a child will not be allowed to leave with anyone not specified on his/her personal information form. Such arrangements must be made prior to the start of the school day, as telephone calls home are allowed only in the case of special need.

Staff members are not allowed to drive children to or from school except in emergency situations. Windsor Vineyard Preschool shall assume responsibility for the child after the child has been signed in by the parent/guardian or designated representative and retains responsibility until signed out by the parent/guardian or designated representative.

**Attendance:** Regular attendance is essential to satisfactory completion of our program. Every child is expected, except in case of illness or other urgent reasons, to start school on the opening day and remain in regular attendance until the closing day. ### **Disciplinary Policy:**

#### **Our Commitment**

Windsor Vineyard Preschool is committed to helping each student begin to reach his/her potential as a whole person. Part of our staff's responsibility is to guide students toward becoming mature, competent, self-directed citizens. While pursuing this goal we must remember that we are dealing with developing personalities. Our teachers will emphasize positive guidance measures which encourage healthy learning, promote responsibility, and self-control.

#### **The following guidelines are used for attaining this goal:**

1. The entire staff is responsible for supervising behavior.
2. A feeling of mutual respect should develop between the teacher and the student. We create this relationship by providing consistent care.
3. When a problem of a serious nature arises, parents will be notified and a plan of action will be agreed upon. In situations of safety concerns, parents will be called to pick up the child.
4. The staff focuses on positive instruction and the recognition of good behavior. Windsor

Vineyard Preschool does not use punitive discipline. Group norms are provided that encourage respectful treatment of one another, their teachers, and their school.

**Character development:** We're excited about growing caring children, knowing God's love for them, their parents, and their school.

**Individualized Learning:** Our program will provide referral information to the family as appropriate for any child for whom a developmental concern has been identified.

**Parent/Teacher Conferences:** We encourage open communication with parents to cultivate healthy relationships that help the growing child. Conferences will be scheduled in fall/spring.

**Non-acceptable Behaviors:** The following are a list of non-acceptable behaviors of children and/or parents at Windsor Vineyard Preschool and will be handled on an individual basis. Parents will be notified if frequency and severity interfere with the learning and safety of others.

- Rudeness/disrespect for authority.
- Biting or hitting others.
- Disrespect for school property.
- Interfering with the learning and safety of others.

**Student Dismissal:** A student may be dismissed for failure to be in accordance with school discipline policies listed above. Refocus forms will be given to parents with and/or pay tuition.

**Transitioning into Preschool:** Parents are encouraged to visit the classroom with their child prior to enrollment. This gives the parent a chance to see what a typical preschool day looks like and the child an opportunity to play and interact with preschool children.

5

We hold events before school begins to allow the children to transition into their preschool environment: Open House tours are held at enrollment time where children can openly explore the classroom. **Parent Orientation** is August 30 @6:30 and required for parents/guardians to review the handbook, return the forms needed to start school, meet the staff, and answer questions. Please let us know if you need childcare for younger siblings for this event.

**Engagement with Community:** Enrichment is a key component of our program. Community experts will be brought into the classroom to demonstrate skills, crafts, and careers of interest to children and our units of study. These enrichments will be held in place of field trips. If walking/nature trips are planned, parents will be notified through email and calendar. Parents are welcome to join us on our end of year picnic at Covenant Park.

**Classroom Volunteering:** Children feel pride in seeing their parents/grandparents sharing in their school experience. Please complete the volunteer form and tell us of your special interests and talents.

**Birthday Celebrations:** Will be your child's special day to bring in Show & Tell *No toy guns, please!*. Let us know if you wish to bring in a store bought treat on your child's birthday (or

half-birthday if in the summer). *NO frosted cupcakes, try to keep it a simple finger food.* Please do not send birthday party invitations to school with your child unless you plan to invite the entire class. Feelings can be hurt when someone is left out.

**Communication:** We welcome and encourage open communication between parents and staff at Windsor Vineyard. Arrival and drop-off time are often remarkably busy and are therefore not ideal, however, phone calls and post-school conferences are welcome and may be scheduled at your convenience with the director.

Our program will make every effort to find and utilize interpreters if there is a situation where assistance in communication is needed.

**Health and Safety:** Your child's health is a matter of major importance to all of us. The state requires health and an immunization form signed by your physician before entering school. Report any health problems, whether chronic or temporary, with the teacher. Please be sure to keep your child at home when you observe a cold or other illness. See chart on when the child is no longer contagious.

**Medications:** If medication is to be administered at school, following conditions must be met:

- A signed request from a licensed prescriber specifying the condition for which the medication is to be given, the name, dosage, route, side effects and specific instructions for emergency treatment must be submitted to the Director for filing while the child is a student of Windsor Vineyard Preschool.
- Medication must be presented to the Director in its original, labeled pharmacy container or over the counter packaging. All liquid medication must be accompanied by an appropriate measuring device.

All medications will be stored per manufacturer's instructions in an enclosed space that is inaccessible to children. A written record will be kept of all medication, including over-the-counter medication given to children. This record will include the name of the child, the

name of the medication, the date and time the medication was administered, the amount of medication given, and the signature or initials of the person administering the medication.

The state requires us to employ a licensed, registered childcare nurse to ensure that the school is up to date on medication administration, health care, hygiene, disease prevention, equipment safety, nutrition, and immunizations. Parents must fill out all pertinent paperwork with Physician signature and instructions before medication will be administered.

The Preschool shall give appropriate first aid to a hurt child. A parent or guardian shall be contacted if it is the judgment of the Preschool staff that immediate medical attention is necessary. If it is the further judgment of the Preschool staff that the injury is of an emergency nature, paramedics shall be called to the Preschool and a parent or guardian will be contacted.

To insure your child's protection from the sun, apply sunscreen before arrival.

**Illnesses:** The best ways to stop the spread of infection are good hand washing and staying home when sick.

**IF I should become ill or injured at school, the school needs to be able to contact you.**

**Major Accidents:** If a child is injured, the Director or substitute will assess the situation and decide whether the child needs to go to hospital by ambulance or whether the child can wait for a parent to come. If the child needs to go straight to hospital, the Head Teacher or designated staff member will:

- Call 911 immediately.
- Administer first aid and/or CPR as appropriate.
- Call the parents/emergency contacts

**Preparedness for Emergencies:** Windsor Vineyard Preschool will follow emergency protocol, holding required fire, tornado, and lockdown drills. A name face recognition log is taken after each transition to ensure safety.

In case of fire, children will be evacuated to the grass area south of the parking lot. Parents will be contacted as soon as possible. In case of a tornado, the children will be taken to an inside

room until the “all clear” has sounded. We will practice these drills along with an active shooter (which we will refer to as ‘a Bear Drill.’ Parents will be contacted as soon as possible after an emergency. Bring a labeled zip lock bag for a change of clothes to orientation. If an accident does occur, the child’s soiled clothes will be sent home in the plastic bag. **Please send a fresh bag of clothes before the next school day.** Windsor Vineyard Preschool will make every effort to safeguard personal belongings brought by the child but is not to be held responsible for lost or broken items. For this reason, we ask that children not bring toys or money to school, unless the toy is for show-and-tell b-day.

**What to Wear:** We ask that clothing be weather-appropriate, comfortable, and simple. We understand that children enjoy independence, so ask that clothing be something that the child can unfasten and fasten for toileting. There is always a possibility that clothing might be soiled when playing outside or during art time. Therefore, parents are asked to send children to school in clothes that are washable. Tennis shoes or closed toed shoes, ***NO flip flops!***

Finally, please put your child’s name on all clothing worn to school that might be taken off and on as we play outside. In Colorado’s ever-changing weather, warm clothing layers are needed as
